Subject: City of Dallas Questions for XA Editing Lane Plating

Diane and Lisa,

Please find the attached edited and approved questions and answers to the City of Dallas request after Councilman Felder's monthly meeting. Please edit if necessary and approve. There are a few questions that were added on top of the original request that I took down when I staffed the meeting.

I am not sure who needs to forward along to the city, but I am available for further assistance if necessary. You can find the original request from the city below.

Thanks,

-Ed-

All,

I'm extending you invitations to our City Council meeting tomorrow at 9am. There is a resident on the agenda who will talk about Lane Plating. I'm prepared to answer questions on the City's behalf. It may be beneficial if someone from the EPA is in attendance.

Thank you,

Hello,

For your knowledge, I'm forwarding a list of citizen questions from our last Lane Plating meeting with the Joppa community. Some of the answers can be provided by other entities.

I have not heard from any citizens since our last meeting, but we will have at least one citizen speaking about Lane Plating at this week's City Council meeting (12/12).

Thanks,
